◆CHECKLIST◆

Order sufficient materials to complete the job. Additional wallcovering may vary in color, width and/or texture. **Before cutting**, carefully examine your order for design, quantity, consecutive pattern & dye lot numbers.

◆INSTALLATION◆

Surfaces must be sound, clean, dry and free from any past residue. We recommend an acrylic primer and a pre-mixed heavy duty clear, non-staining adhesive for this wallcovering. Do not install over an existing wallcovering. Wash adhesive completely off of the surface of the wallcovering after each strip is hung. Any adhesive left on the face of the wallcovering can cause shading at the seams or surface causing discoloration at a later date. Cut and install no more than one double roll bolt from your order. We assume no responsibility whatsoever for any labor or material cost incurred on imperfect material. Any questions, contact your supplier for more information.

◆NO RETURNS◆

These wallcoverings are stocked and shipped from Europe. Allow up to 3 weeks for shipping. Please order accurately as we do not accept returns or cancellations on this collection.

NO RETURNS OR CANCELLATIONS WILL BE ACCEPTED.
We recommend a professional paper hanger install this product.
All orders must be emailed. No verbal orders will be accepted.
