White-on-black = Packaged in 3-roll Bolts

HANDCRAFTED GRASSCLOTHS, PAPERWEAVES, TEXTILES, AND MICAS

These are environmentally friendly natural fiber products

All wallcoverings in this collection are priced per 4-yd single roll (36" x 4 yards).

Packaged and sold in double-roll (36" x 8 yards) and triple-roll (36" x 12 yards) bolts.

Checklist: This is a handmade product. It is woven with natural plant fibers that give the finished product a natural unevenness. Being handmade and handstained, it is common that shades will vary from roll to roll and from the end to end of a single bolt. We urge you to take extra care in examining the grasscloth during preparation and installation.

Paper Hanger/Installer: Open and install one double-roll. DO NOT OPEN OR CUT ADDITIONAL BOLTS. If, after inspection you are not satisfied, contact your supplier. NO credit will be given beyond one double-roll bolt.

Cutting For Approval: Dye lots can vary from shipment to shipment, for this reason, we cannot guarantee an exact match to your sample book. A cutting for approval (CFA) is an actual cutting of material of your order. ***If a color match is critical - and to avoid restocking fees - we strongly suggest you order a CFA.***

When requesting a CFA it is required that you place an actual order so that we can reserve the required quantity. Once we receive your order, we will reserve the quantity for seven (7) days and send you a cutting of the reserved material. We will only ship the full order once you approve it. Upon receipt of the cutting, you are responsible for notifying our Customer Service department to let them know that the cutting is approved. Upon approval, the order will be released and shipped.

Returns: Only uncut double rolls in original factory wrapping may be returned for credit **less 30% restocking/handling charge and return freight within 30 days of invoice.** Return authorization (RA) numbers must be obtained from Customer Service prior to returning merchandise. This number must be noted on the outside return label and easily seen by our receiving department.
